- Humility
 - The only people he spoke harshly against were the prideful pharisees. Their pride blinded them to their sins. This is the most important quality of a leader to see their weakness

Matthew 20:26-28: "But whoever would be great among you must be your servant, and whoever would be first among you must be your slave, even as the Son of Man came not to be served but to serve, and to give his life as a ransom for many."

To be a great leader, you have to humble yourself and elevate others.
